**MISSION WEEK GREAT SUCCESS**

The Redeemptorist priests who have been conducting services at St. Joseph's Catholic church in this city for the past week brought the mission to a successful close last evening. The week's services were closed in a most solemn manner, the final ceremony consisting of the rosary and a sermon by the Rev. Father Maloney. His subject was "The Means of

perseverance" and during his remarks the mission priest complimented the people on the faith and generosity shown during the week, noting their regular attendance during the eight days, both morning and evening. He argued that it was something more than idle curiosity that moved the people to attend the services, and this fact was testimony of their evi- dence of sincere faith and deep piety. Father Maloney also congratulated the zealous pastor, Father Cushman, on the healthy condition of his parish flock, and told his audience that they should consider it a privilege in having such an able and wise director of their spiritual interests. After the sermon one of the missionaries imparted to the congregation the papal benediction, which is

the blessing of Pope Pius X, and which the mission priests were delegated to extend to the people who had faithfully attended the mission. The church was filled to the doors and when the benediction was imparted the vast audience, kneeling, received the blessing of their great pontiff at Rome with the deepest reverence. This ceremony was followed by the benediction of the blessed sacrament, at the close of which the great liturgical hymn of thanksgiving was sung by the choir. Father Cantwell, speaking in a general way of the mission, said that the choir work for the week had been of a very high order and had added greatly to the beauty of the mission service. The mission was an unqualified success in every respect, as was

evidenced by the great number of Catholics and their non-Catholic friends who had thronged the beautiful church mornings and evenings for the past week. The visiting priests expressed themselves as highly pleased with the work here, especially with the grand spirit of faith and sacrifice on the part of those attending the services and with the kindly treatment of Father Cushman and his able assistant priest. Fathers Cantwell and Mahoney will leave this afternoon for the north-west and will conduct missions at Seattle and Portland. **WM. ST. JOHN HARPER DEAD.** New York, Nov. 7.—Wm. The prisoner is a drug fiend. He said he wanted to kill himself because he had not slept

for many nights and was tired of living. Patrolman Tom Simpson, who was in charge of the jail, found the man bleeding from the scratches and praying to die. He summoned Police Surgeon Dr. H. B. Sprague, who dressed the prisoner's wounds, which were on the forearm and not serious. **THIEF MAKES ATTEMPT TO SHOOT AN OFFICER** Salt Lake, Nov. 7.—While a party of hunters were eating at Schmidt's restaurant, 325 South Main street,

about 4 o'clock Sunday morning, a sneak thief took a shotgun from their buggy and started to run away. Patrolman Joseph Neve saw the man running south on Main street and gave chase. The thief turned into Exchange place, and when he noticed that the police was gaining on him, he turned upon the officer and attempted to fire the shotgun, which then opened fire upon the thief with his revolver, whereupon the man threw the gun down and disappeared in the direction of Fourth South street. **Only One "BROMO QUININE," that is Laxative Bromo Quinine** *E.
